

Name _____

Home Is Where My Family Lives

Pretend this is your home. Finish the picture by drawing these rooms:

1. where your meals are prepared
2. where your family eats together
3. where you say your prayers and go to sleep
4. where your family gathers to watch TV, play games, or just talk

Now, add you and your family members inside your home.

You have drawn your home family. You belong to another family too.
You will soon learn how you become a member of God's family.
