## Stories from God

Stories from before Jesus was born are in the part of the Bible called the Old Testament. Stories of Jesus' life, called the Gospels, and of his disciples' lives even after Jesus died are in the part of the Bible called the New Testament. We listen to stories from both the Old and the New Testaments during a part of Mass called the Liturgy of the Word.

Here are just some of the people we hear about in these stories. Draw a line from the name in the Word List to the person's description. See if you can decide if the person is from the Old Testament (before Jesus' birth) or the New Testament (after Jesus' birth). Put an O for Old Testament and an N for New Testament. To learn more about each story, look it up in your Bible.
